**Re: Future of QVSR, Board Member Volunteers Necessary**

Dear Quail Valley Swim and Racquet Club Members:

Quail Valley Swim and Racquet Club (QVSR) is at a crossroads for the year 2020 and the future. For the Club to remain operational, member volunteers are necessary to join and assume officer and committee positions on the Board of Directors of the Club. Many current Board members have served for many years beyond the bylaws designated time period of 3 years and will need to step down in 2020 and 2021. New volunteers to fill these Board positions are essential for 2020 and the future.

For those of you that are involved with the Quail Valley Swim Team and those of you that play tennis, you are the key members with the vested interest in QVSR. This letter is a call to you to carry on the legacy of service, swim team, tennis leagues, and a place for families and citizens to create and have community.

The Board positions that are or will become vacant are:

- President (2021) – Currently Joe Barkevich – 6 years of service as Vice President and President;
- Vice President (2021) – Currently Chad Hardaway – 1 year of service
- Secretary/Treasurer (2020) – Currently Meredith Keane – 7 years of service
- Certified Pool Operator(s) (CPO) (2020) – Currently Mark Gentry – 2 years of service as CPO
- Volunteer for Club/Pool Maintenance (2020) – Currently Bruce Innocenti – 10+ years of service

The future of QVSR requires a new set of members to step up to assume these positions and lead the Club forward. We hope that you will seriously consider volunteering to be a driving force in the future of QVSR.

**The Club is in good financial standing. Over the last several years, procedures and processes have been developed and are in place for Club operations. New Board members volunteers will be able to work with the existing Board to make a smooth transition to the position(s).**

Questions about positions can be submitted by email to [gvtreasurer@gmail.com](mailto:gvtreasurer@gmail.com), and/or attending the next Board/Committee meeting scheduled for **Tuesday, December 3, 2019 @ 6:30 pm at Chapala Mexican Restaurant**. At the meeting we will be sharing information on the current duties associated with each role, the annual scope of the work to be done, and responsibilities of the board, and mentoring/ transition opportunities for interested parties.

For interested parties, this and future board meetings, proposed at this point to be the first Tuesday of every month, will be held at the Pavilion at the Club or at Chapala's (in the winter months).

**Please consider stepping up and helping lead the continued success of the Club!**
